DETAILED ACTION

1. Receipt of the response to the Election/Restriction filed April 19, 2006 is acknowledged. Claims 1, 21, 22, 26, 31, 34, 44 and 45 are amended. Claims 47 and 48 are new. Claims 1-48 are pending in the application and are presented to be examined upon their merits.

Response to Arguments

2. Applicant's arguments and amendments filed April 19, 2006 have been fully considered but they are not fully persuasive. The "behavior score" disclosed Kosiba reads on amended claims 1, 21 and 45 which discloses, "receiving data from at least one computer relating to items associated with debt collections; generating a collection priority value for each item entered into said system, the collection priority value is based on a credit score of the custom and an internal payment history score of the customer." (see col. 5, line 54 to col. 6, line 7). Thus the claims 1-8, 11-13, 16, 18-23, 25-33, 36, 37 and 40-46 remain rejected by Kosiba.

Allowable Subject Matter

3. New claims 47 and 48 are allowed.

4. The following is a statement of reasons for the indication of allowable subject matter: the particular variables given in relation the credit score and internal payment history.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
